Call to Order: Mike Picciotti, chair

Present: Pat Ellis, Mike Picciotti, Steve Vegter, Jan Thomas, and Vic Ellis, Z.A.

Absent: none

The purpose of this special meeting is two-fold:

- 1) To review a prepared request for Proposal to assist the Planning Commission in reviewing and updating Marilla Township Master Plan.
- 2) To discuss our progress on addressing blight and to determine what is needed to proceed.

## Old Business:

In order to address the blight issue, it was determined that we cannot proceed forward until we have updated hard copies of the Master Plan and our Zoning Ordinance including the stand alone Junk & Blight ordinance. Mike will address this at the August 9<sup>th</sup> Township Board meeting and request 5 copies of those two documents.

## New Business:

After reviewing the request for proposal specifications, the following motion was made:

I move that the Planning Commission approve the request for a proposal to provide assistance to the Planning Commission members to review and update the Marilla Township master Plan. This document will be forwarded to the Township Board for approval. Steve Vegter, (1), Pat Ellis (2), motion carried

Motion to adjourn: Mike (1), Steve (2), carried

Respectively submitted,

Jaanice R. Thomas, secretary
