

Marilla Planning Commission Meeting Minutes

Date: Wednesday, June 20, 2023, at 7:00

Present: Steve Vegter, Jan Thomas, Pat Ellis, and Misty Cudney

Absent: Sonny Rewerts

Approval of the June 5th meeting minutes: Pat (1), Steve (2); carried

Old business:

Sonny Rewerts was appointed by the Township Board to fill in for Mike for the time being while he deals with health issues.

We are continuing the required five year review of our master plan.

The following motion was made by Steve Vegter: We will discard any 2016 data included in our master plan and only use 2020 census information. Steve (1) Pat (2); carried. This motion especially relates to chapter 4.

A question we had is: Could hire someone to create needed graphs and tables needed in order to complete chapter four. Misty will call Mike at the county planning office to see if he can suggest someone who has that expertise.

Chapter 5:

Section 5.1: Pat will call Dial-a-ride to obtain current information about the availability of service to Marilla Township. Section 5.2: May restructure the sentence regarding community and private facilities. We changed all hospital labels as the other labels no longer apply. In chapter 5, we left off on pg. 34.

New business:

We determined that we will use our quarterly meetings for regular Planning Commission business and schedule special meetings for master plan review.

Our next meeting will be Tuesday, July 18, 2023, at 6:30.

Meeting adjourned at 8:45; Jan (1), Pat (2); carried

Respectfully submitted,

Janice R. Thomas
